SATURDAY EVENING, NOVEMBER 17.

GENERAL NEWS.

The Supreme Court of Mississippi has decided that the State has never lost its organization as a government by reason of secession or war, but that it is in all respects not only a de facto but a de jure State, and that the functions of the government were rightly and constitutionally exercised by those who exercised the executive, legislative and judicial functions during that time within the State.

Judge J. Shalvey, of Mississippi, has also decided that sales and executory contracts made before the surrender, and founded upon Confederate Treasury notes, as a consideration, were valid, and can be enforced now. Judge Clayton some time since decided contrary. This case goes before the Supreme Court for final adjudication.

Mr. Peabody did not go further west than Zanesville, Ohio, where he attended the wedding of his nephew. At Zanesville he met Bishop McVane, and as the visit which he had contemplated to Cincinnati, he did not go further. He presented the Bishop with \$25,000, to be used for the benefit of Kenyon College, and he has also donated \$20,000 in Northwestern Virginia railroad bonds, guaranteed by the city of Baltimore, to the Maryland Historical Society, to be devoted to the replenishing of its library.

The Sultan, wishing to recompense the work of the Sisters of Charity of Constantinople during the cholera in 1865, has presented them a piece of ground in the quarter of Pera for the foundation of an orphan asylum.

Senator Guthrie, of Kentucky, is said to be in very bad health, and may not be able to take his seat in the Senate again.

During the present year 297,623 tons of coal have been transported over the C. & O. Canal from Cumberland, Md.

The loss by the cotton mills lately destroyed by fire, at Memphis, Tenn., was \$250,000.

BLADES' EUPHONIAL LUBRICATORS! THE PEOPLE'S MOSTURE AND EFFECTUAL REMEDY

For Coughs, Colds, Croup, Catarrh, Asthma, Bronchitis, Diphtheria, and all Pulmonary Diseases.

The LUBRICATOR is a medicinal preparation, in the form of a lozenge, which of all modes is the most equal and convenient. They contain no deleterious ingredient, and are warranted to be always safe, even for the weakest and most sensitive stomach. In croup they give immediate relief. For coughs and colds they are invaluable.

For Catarrh, Asthma and Bronchitis they have no equal in the market, (vide certificates accompanying each box.) Diphtheria, that dreaded and desolating disease, they control wonderfully and almost immediately.

No public speaker, singer or teacher should be without them, as they remove hoarseness and strengthen and clear the voice.

Always use them in time, and if the symptoms are severe use very freely.
